SET OUT ON A JOURNEY OF FABULOUS ADVENTURE – IN LANDS BEYOND THE LIMITS OF YOUR IMAGINATION

Choose for yourself what role to play, where to go and what to do.

At THE COURT OF HIDDEN FACES, no one is who they seem. The sinister lords of the Uttakin go masked to hide their treachery. The secret police of the god Ebron kill those who flout their fanatical codes. In this tyrannical realm of betrayal and assassination, life is cheap. But rich rewards await the daring adventurer.

Will you uncover the secrets of the High King's citadel, where no man has trod for ten generations? Or wrest the holy sword from the crypt of Kiril Ironak, the War Prophet? Or find the key that will allow you to travel back in time?

The choices are all yours. And success will give you the powers to venture even further into the fantastic role-playing world that is FABLED LANDS.
